

Would you like to make a real difference to the lives of newly arrived migrants and their families in Kirklees?

Provide the support to help them feel welcome and get the help they need?

#kirkleeswelcomes is a new programme aimed at helping migrants settle in the local area. Paddock Trust is now recruiting volunteers to help new arrivals as

Welcome Mentors

If you would like to take advantage of this unique opportunity Paddock Trust is holding a one-day training event for interested volunteers taking place on

Wednesday July 25th 9.30 - 3.30pm

Venue: Paddock Village Hall

West View, Paddock, Huddersfield HD1 4TX

(lunch is provided and travel expenses are available)

Our induction, training and ongoing support and development will equip you to have a fulfilling experience as a Welcome Mentor with the Welcome to Kirklees Community Mentor Programme.

If you would like more information or book a place on the course please contact Paddock Community Trust on 01484 431400 or email info@paddocktrust.org.uk
